

Every
Student
Matters

EVERY

STUDENT

MATTERS

The Management and Staff are proud to present to all prospective parents and students the Pine Hills International School Prospectus. At Pine Hills, the student's journey of development begins in Pre-Primary and continues right up through to Pre-University. This journey equips all students with the necessary tools to excel both in terms of character and academic excellence. The key to this transformative process is the school's unique educational philosophy for transformative experiences so students become independent, adaptable, socially responsible and competent in an increasingly competitive world.

Pine Hills International School has the best internationally recognized learning methodologies where learning extends beyond the classroom. A large part of this educational philosophy is based on empirical evidence gathered from many centres of learning blended together to provide a holistic outlook for building students' confidence, vision and ambitions. We strive to foster the right attitudes and values in all our students and a critical part of this process is working hand in hand with parents to achieve these goals.

We look forward to you becoming part of **PINE HILLS INTERNATIONAL SCHOOL's** success story.

**TO OUR NEW
STUDENTS AND PARENTS,**

**MS. LEONORA
ANNE PEERS**

I would like to extend to you a warm welcome to Pine Hills International School. We are committed to providing a rigorous and challenging curriculum that helps each student progress well. Our priority is to provide a safe environment for all our students.

We believe that every student matters and we focus on offering an all-round education to produce students who are prepared to do great things as young adults. We integrate the arts to spark enthusiasm, deepen understanding and enhance learning for every student. We value life-long learning and we aim to make your child's learning experience at Pine Hills International School engaging, exciting and memorable.

Together with you, our parents, we will continue to build a supportive and collaborative spirit at our school. We believe that when we build on the traditions of the past, we prepare our students to meet the challenges of the future in innovative and exciting ways.

Our Vision
**Students Today,
Trailblazers Tomorrow**

Our Mission

"To develop young adults with active and creative minds, a sense of understanding and compassion for others and the courage to act on their beliefs"

(A)TTITUDE
(B)EHAVIOUR

(C)HARACTER
(D)ISCIPLINE

Our Motto

"EVERY STUDENT MATTERS"

We at Pine Hills recognise that all students are individuals who have their own unique strengths and weaknesses, gifts and talents. We believe that every child has the right to be included in a broad, balanced and relevant curriculum: and that each student is entitled to have the best possible opportunity to obtain an education which challenges, motivates and rewards them, so that they can fulfil their individual potential.

Cambridge Assessment International Education

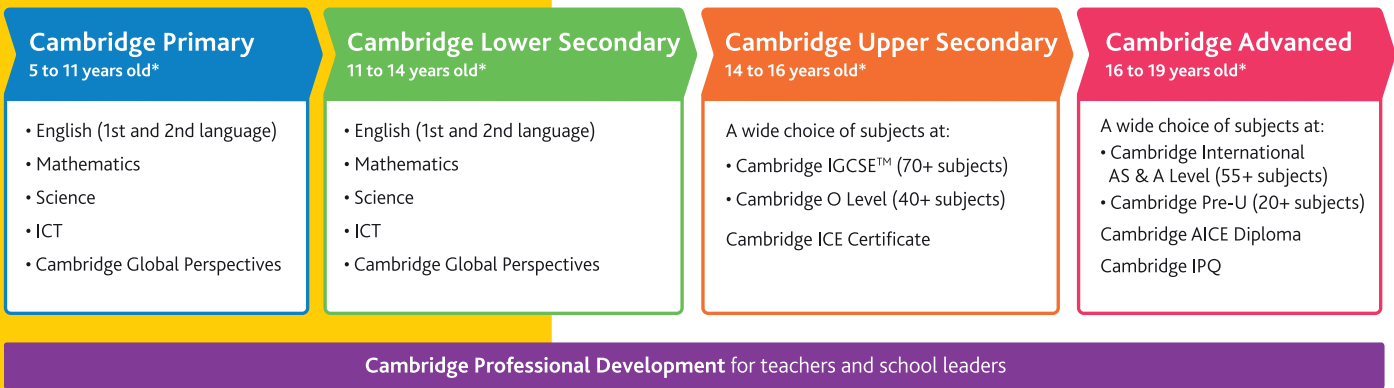

Cambridge International prepares school students for life, helping them develop an informed curiosity and a lasting passion for learning. We are part of the University of Cambridge. Cambridge Pathway gives students a clear path for educational success from age 5 to 19. Schools can shape the curriculum around how they want students to learn – with a wide range of subjects and flexible ways to offer them. It helps students discover new abilities and a wider world, and gives them the skills they need for life, so they can achieve at school, university and work.

Cambridge Pathway

The four stages of Cambridge Pathway lead seamlessly from primary to secondary and pre-university years.

Cambridge Pathway

A clear path for educational success from age 5 to 19

**Age ranges are for guidance only*

Learn • Discover • Achieve

At the end of the Cambridge Upper Secondary and Cambridge Advanced stages, your child can achieve globally recognized qualifications like Cambridge IGCSE™ or Cambridge International AS & A Level.

Your child's needs as a learner are at the heart of our approach to education. Our Cambridge Pathway helps give your child a love of learning that will stay with them through school, university and beyond.

Our approach supports schools to develop learners who are:

- ✓ **confident** in working with information and ideas – their own and those of others
- ✓ **responsible** for themselves, responsive to and respectful of others
- ✓ **reflective** and developing their ability to learn
- ✓ **innovative** and equipped for new and future challenges
- ✓ **engaged** intellectually and socially, ready to make a difference.

Pre-primary

Age 4-6 Years Old

Our Pre-Primary stage, which is the Early Year's Foundation, is hands on, interactive and offers our students the opportunity for incredible cognitive, as well as social and emotional growth.

We create an environment which allows our students to explore and participate in the learning process developing a genuine interest to know more. This engenders enthusiasm in our students to become more motivated and continue learning for the rest of their lives because their imaginations have been captured right from the best formative age.

By the time students arrive at our Pre-Primary Stage and have completed their course, they are ready for a more formal approach to the basic subjects at Lower Primary Key Stage 1.

Subjects

- ✓ Smart English
- ✓ Easy mathematics
- ✓ Junior Science
- ✓ Fun Malay
- ✓ Creative Arts
- ✓ Music & Movement
- ✓ Mandarin
- ✓ Character Education
- ✓ Basic ICT
- ✓ Social studies

Primary

Age 6 – 11 Years Old

Key Stage 1 & 2

Primary time are definitely the fun years in school life. Our young students learn through play, exploration and lessons that are stimulating and enjoyable. Our expert teachers ensure students are taught in a nurturing environment that encourages their natural curiosity in the world around them. Our curriculum reflects a balance of academic learning alongside non-academic development.

The school provides Cambridge Primary, a world-class curriculum to develop learner skills and understanding in English, Mathematics and Science. It enables teachers to assess children's learning as they progress. Cambridge Primary Checkpoint tests have been designed to assess learners at the end of Year 6. Assessments are conducted for English, Mathematics and Science, and provide valuable feedback regarding students' strengths and weaknesses before they progress to the next stage of

education. The tests are marked in Cambridge and provide schools with an external international benchmark for student performance. Each student receives a statement of achievement and a diagnostic feedback report, giving schools detailed information and parents extra trust in the feedback they receive.

Subjects

- ✓ English
- ✓ Mathematics
- ✓ Science
- ✓ Art & Craft
- ✓ ICT
- ✓ Music
- ✓ Performing Arts
- ✓ Malay Language
- ✓ Mandarin
- ✓ Physical Education
- ✓ Personal, Social and Health Education (PSHE)
- ✓ Humanities (History and Geography)

Lower Secondary

Age 12 – 14 Years Old

Key Stage 3

This is the more serious stage of school life. It involves more enquiry and problem solving based learning. This increases the opportunities for independent study and enables students to make informed choices and decisions on their own.

Cambridge Lower Secondary Checkpoint tests have been designed to assess learners at the end of Cambridge Lower Secondary. They are available in English, Mathematics and Science and give valuable feedback regarding students' strengths and weaknesses before they progress to the next stage of education.

Each student receives a statement of achievement and a diagnostic feedback report, giving schools detailed information and parents extra trust in the feedback they receive.

Subjects

- ✓ English
- ✓ Mathematics
- ✓ Biology
- ✓ Chemistry
- ✓ Physics
- ✓ ICT
- ✓ Art & Design
- ✓ Malay Language
- ✓ Performing Arts
- ✓ Music (Year 7 and 8)
- ✓ Commerce (Year 9)
- ✓ Physical Education
- ✓ Mandarin (Year 7, 8 and 9)
- ✓ Personal Social and Health Education (PSHE)

Upper Secondary

Age 14 - 16 Years Old

Key Stage 4

In Key Stage 4, students begin their 2-year course which prepares them to sit for the Cambridge IGCSE examinations at the end of Year 11. All students follow courses in English Language as a 1st or 2nd Language, Mathematics, Malay as a Foreign Language (compulsory only for Malaysians) and PE. Students then select a range of subjects suited to their individual aspirations and abilities. Senior teachers are often consulted for advice in helping students make the best choices.

We consider our students' well-being and happiness as important as their academic achievement. At Pine Hills, our students are guided by our very experienced teachers and tutors to make the best possible decisions which will enable them to grow and thrive in today's modern, globalised world. The support they provide to our students is reflected in their excellent achievements.

Subjects
