自小到大我的志愿就是当一名教师。基于当时我的家庭贫穷，难以供养我继续上学。于是从12岁起我便开始了半工读的生活，当补习教师以支付家庭生活开销。

直到十多年前，我跟随丈夫在汝来从事五金行业，以为就此过着相夫教子的日子。这时，一名幼儿园负责人突然要转手幼儿园的经营权，令我开始接触到教育这一行业。由于我的孩子都是在这所幼儿园学习，因此我非常了解也认同这所幼儿园的教学理念。最终我下定决心跟随内心的意愿接手这所幼儿园并希望能够把幼儿园经营好。

起初接手时，我也面临师资不足，学生人数问题。但我仍成功克服各种难关，并发展成今日的小成就。对我而言孩子就如白纸一般，如果能够从什么都不懂，把孩子教育成独当一面，看着孩子们慢慢成长，我会相当有成就感。

目前，我最大的愿望是坚持把最好的教育带给每一个小朋友。当然，我也会把这份使命带回我的家乡-印度尼西亚，让更多的小朋友受到更优质的教育。

谢谢！

Joining 3Q MRC in 2007 into a totally new environment gave me many challenges and the customers expectation was of great importance. It was a tedious process to fulfil the overall expectations and many challenges nevertheless the failures and pressure provided me a platform to excel myself to greater heights. This was due to the fact that I had school going children and also a paradox changes in the education system. Much as I aspire children to excel in their curriculum I challenged myself to keep along the system to venture into ever new approaches to provide the best possible experiences to the students.

With more than 20 years of experience in the development and innovation of children education I will strive to continue to provide the best possible experiences both in learning ,teaching and all curriculum development and activities to all teachers and students of 3Q MRC as a center to earmark and excel as a one stop school for future education and daycare preference. My utmost gratitude to the Chief Principle Ms Teh, teachers and staff who have along side provided me the opportunity and support to reliaise this vision I wish to register my heartfelt thanks and wish many more accolades to the center to come.

Thank you.

I start my journey as ordinary preschool teacher around 16 years .Then I decide to upgrade myself .So,I studied Diploma Early Child Education Course at University Sains Malaysia, Penang .Then,I got started my career in Erican Language Centre as part time tutor and continue preschool as well .Time flies but still not satisfied with my career in this teaching line .It has always being my dream to become a successful educator and want to achieve my dream to operate a preschool.

Finally, I meet my mentor Ms .Teh from 3Q MRC NILAI .She trusted me and she asked me to handle one of her branch in year 2017.I learned and get more experience through teaching and handling center as a principal coach although there are many challenges around me .Day by day I polished myself to adapt and understand 3Q MRC system .I challenged myself to understand clear vision of child development and effective /creative and motivate learning .Beside this ,working at 3Q MRC have given me the opportunity to deapen my understanding of children and how interesting teaching and learning can be .I love that everyone in 3Q MRC support each other and displays dedication as we share the same vision and goals.

It's an incredible work experience in 3Q MRC .
My heart felt gratitude to my mentor Ms .Teh
and previlege to work under her leadership.

During my elementary education, my ambition is always to become a teacher. But due to some reason, I have involved in commercial field throughout the past 10 years.

2 years ago, I've given an opportunity to get involved in education field, and this is when I began my journey here at 3Q MRC Junior. In view of the trust and confidence towards 3Q MRC Junior concept and syllabus, I have also enrolled my children into this kindergarten to pursue her knowledge.

When I first stepping in a fresh different field from the previous, I met plenty of failure and made many mistakes but I believe every challenges that I face is the opportunity to become a better and stronger person.

My journey has giving me a clear inspiration to where I am now. I am truly grateful for what I have truly brought into 3Q MRC and the spirit will continue to shape the overall climate of our elementary kindergarten for years to come.

Thank you.

一眨眼，3Q MRC Bangi成立一年了。

想想当初因为孩子以及万宜这带还没有玩与学习兼施的幼儿园，也因为长女之前也接触3Q MRC的教学，看见孩子很喜欢那教学上课方式，也就联系了3Q Nilai 负责人前来Bangi 这代开启3Q MRC Bangi.

谢谢感激家长的信任，让孩子可在3Q MRC脑开发教育教学,让孩子可以在学中玩，玩中学，让学习变得有趣和轻松。自己可是很开心也很欣慰地看见孩子一步一步地成长学习。毕竟，幼儿园是孩子们开始认识学习的起步，接着小学甚至到大学孩子可以快乐地学习。

谢谢家长、同伴们的信任与合作，让我们继续为孩子们学前教育献出一份力量。

孩子可以是“助力”也可以是“阻力”。我相信很多女子本弱，为母则强。我也不例外。我本身是位税务专员但为了孩子我辞去我的专业进入了教育界。我一直相信任何行业都能成功。过去不代表未来，但改变现在可以改变未来。很庆幸的我遇到能提拔我的贵人，我们的老板Ms Teh, 给了我一次很好的机会也是我人生的转折点；就这样我成为了一名教师。以你所知我也是从最底层做起。我比任何人都努力，每一趟的3Q 教育培训课程我都踊跃参加考试去达到合格的教师。慢慢的从一位教师成为院长。

打从我进入教育行业我都有个信念，能教好自己的孩子是爱的；但我一样能教好别人家孩子就是真爱。每一位小孩来到我的学校，都是我心头上的孩子。不论任何种族，不管几岁，我都是用爱来教育，没有学不好的孩子，只有教不好的老师。每

个孩子都长处，只要把孩子的长处放大。

个个都是最优秀的孩子。所谓三流的父母是做孩子的保姆，二流的父母是孩子的教练，一流的父母就是孩子的榜样。我们学校的每一位的教师都是以最佳状态成为孩子的榜样。

**“没有做不好的事，
只有不想做的事”**

时光易逝，岁月如梭，转眼之间我已在幼教这个岗位上走过了数年。蓦然回首才发现原来我已经达到了幼时的目标，离梦想也越来越近了。可是‘如人饮水，冷暖自知’成为了幼师，我才知道一名老师的责任并不是一字一句就能够轻松完成的。老师是一名执笔人带领着小朋友在空白阅历中画上浓浓的一笔；老师是引路人引导者小朋友们走上光明的道路；老师是一名园丁持之以恒的灌溉让小朋友开出一朵又一朵绚丽色彩的花朵。可见教师的责任是如此之重。

即便一路走来，有山重水复疑无路的困境，但更多的是柳暗花明又一村的惊喜；有来自小朋友们的十万个为什么，也有家长的质疑，更有自身业务能力足的苦恼，但也有如数家珍无数美好的回忆。在这段旅程中我非常感谢家长们的信任把家中珍宝交由我们照顾教导及庆幸有一群敬业友爱的老板，领导及同伴。回想过去的这些年每一页每一章都有着她们对我的鼓励，帮助，也是她们的雪中送炭，如母亲般的叮咛，每一次的耐心指导成就了现在的我。虽然我现在已是MRC Kids的院长，但我依然会秉承初心谨记领导及前辈的教导继续完成肩上的使命。

谢谢！

What Our Parents Say

I am pleased with the 3Q MRC education program. My daughter truly had a great time and learned so much. She has become rich in ideas, more creative, and more confident in talking to people. I can also see the improvement in my daughter's proficiency in English, even though English is not her native language. Thank you teachers for making her learning journey a meaningful and enjoyable one.

What the parent say ?

We are the parents of Aresa Chan, Damien Chan & Amelia Chan. Our kids graduated from 3Q MRC Nilai few years ago. we feel blessed to have their kindergarten journey with 3Q MRC Nilai.

The teachers who had taught our kids from 3 years old till 6 years old are truly remarkable. We would like to convey our heartfelt appreciation to the teachers for their priceless efforts, understanding, support, guidance and contribution towards our kids progress.

They have absolutely given a lifetime impact to our kids. My kids had personally shared with us their admiration and appreciation of all the teachers.

The teacher's dedication and patience had enabled our kids to receive positive educational experiences throughout their kindergarten journey with 3Q MRC. We are sincerely thankful to the 3Q MRC Nilai management for giving a supportive platform for these teachers to excel in making a difference to our kid's academic.

Once again, thank you 3Q MRC and God bless.

“自从我的小孩加入 MRC，
最大的欣慰是看到她更加自律。
从不喜欢去学校到现在会自动自发起床，
让她爸妈可以年轻几年。
短短5个月，在学校认识了朋友，
学习语言文字。当然还包括唱歌跳舞，
常常会表演给我们看。
很欣慰感恩。谢谢MRC 的爱心和用心。”

“女儿去MRC一段时间了，
从不习惯到现在适应学校生活，
离不开老师们的教导，MRC对小孩
特别注重就是品格塑造。
这是我看重的，所以非常放心让孩子
在这么棒的学校里成长。”

在这里，我的孩子易轩经历了许多美好的时光，从不熟悉，直到如今，每天都很期待到幼儿园上课。

这是因为，这所幼儿园最美的风景是“人”。当中有各位循循善诱，总是恳切又耐心的老师们，还有许多对同学们包容又热切提供帮助的孩子们。

非常感谢各位老师之在繁忙之余，对孩子的关怀与教导♥

“自从我的孩子加入3Q以后，她的英文发音越来越标准。每天她放学回家她都会把学校发生的趣事告诉我，让从前内向的她开始变得会分享，也让她变得很快乐。在她加入3Q的这一年来，她收获了很多知识和常识，获益不浅。

我喜欢这里(3Q)为我们的孩子提供的活动，这些活动非常丰富和有意义，可以教会他们很多新事物。感谢老师们的栽培和耐心，谢谢3Q。”

“我很高兴为Ayden在他进入幼儿园以来，Ayden取得了显著的进步，我相信他会在您的学校中继续茁壮成长。

首先，Ayden在语言表达方面有了很大的提高。从一开始不会说完整的句子，到现在能用英语与我们沟通，他的进步让我们感到惊喜。更令我意外的是，他已经能数到30的英文数字，这真是超出了我的预期，因为我从来没有特意教过他。

其次，Ayden的日常习惯也发生了变化。他曾经不愿更换校服，现在却会主动去拿校服来换，他每天都非常开心地去上学，这让我感到十分欣慰。

此外，Ayden还学会了自己折叠衣服，虽然不那么整齐，但作为一个四岁的孩子来说，这已经非常了不起了。这样的生活技能都是他自然而然学会的，我希望他能继续保持这些独立能力。

接下来，我也计划让他的弟弟入园，相信他们会在您的关怀下共同成长。感谢您对Ayden的指导与支持”

What Our Parents Say

We are incredibly grateful for our experience at Panimoli School. Our child has blossomed in such a supportive environment, demonstrating impressive reading skills and confidently sharing her experiences from school.

Her independence has grown remarkably; she now uses the toilet by herself and no longer needs diapers.

Thank you to all the teachers for your outstanding care and guidance. Your dedication has truly made a difference in our child's development!

What Our Parents Say

"Sekolah Mikayla telah memainkan peranan penting dalam perkembangan anak saya. Sekolah ini mendorong kebebasan, mengajarkan pelajar untuk menjaga keperluan mereka dengan yakin. Terima kasih kepada dedikasi guru-guru, anak saya telah menguasai asas membaca, menulis, dan mengira (3M) dengan mudah.

Penekanan kepada kemahiran sosial membolehkan anak saya berinteraksi secara positif dengan rakan-rakan dari pelbagai latar belakang, membina persahabatan yang kukuh. Kemahiran komunikasi juga telah berkembang, membolehkan interaksi bermakna dengan rakan-rakan dan guru.

Selain itu, persekitaran yang kreatif dan imaginatif telah membangkitkan rasa ingin tahu dan inovasi anak saya. Saya sangat gembira melihat anak saya sudah bersedia untuk peralihan ke sekolah rendah. Saya sangat mengesyorkan Sekolah Mikayla kepada sesiapa yang mencari pengalaman pendidikan yang menyokong dan memperkaya!"

What Our Parents Say

I see a lot of improvement in my daughter's reading and writing since she's started with 3Q MRC. It's her first year learning mandarin and she can keep up with mandarin very well all thanks to the teachers who patiently teach and guiding her. I would like to extend my gratitude to teachers who also constantly reward and appreciate my daughter's hardwork in school. She really loves the small rewards she got when she did well. As a parent, I also appreciate the harmony of combine cultures that 3Q MRC is practicing, these teach my daughter to understand our Malaysian cultures. Thank you teachers!

我的女儿在差不多3岁才开始说话，算是属于学习比较慢的，到了4岁因为疫情，女儿只是在家吃喝玩乐，5岁才去幼儿园。我担心女儿跟不上脚步，所以选择了MRC和给宝贝在那边的 daycare 学习。

我的女儿去学校的时候连写字握笔都不会，谢谢老师的细心教导，现在进步了很多，还学了3种语言，也感谢MRC KIDS的老教师们，教我女儿唱歌跳舞，给了她多次的机会上台表演，让她变得很勇敢的面对舞台也不害怕。
