FAMILY EXPERIENCE STORY

Yuslailli Yusoff ★ recommends Wonder Minds Preschool. ...

19 Jan 2021 · 🌐

The best pre school for my daughter. She's been there for 2 years and she did enjoy herself. All teachers have been kind & loving.

Wonder Minds Preschool is such an amazing place. Our child looks forward to going everyday, and always has so much to share afterward. The children learn all about art, nature, music, different cultures, as well as getting a strong foundation in letters and numbers. We are so happy to have our child there and would highly recommend it to any parents looking for a calm, caring yet intellectually stimulating environment.
